Please keep us informed of repairs you need, and continue with suggestions and comments.   We welcome all your suggestions, which serve to improve our Golden Hill community.

Couple things to mention:
Tomorrow, Monday, *October 23rd*, is the *last day to register* to vote. If you have not yet registered to vote you can go to: *http://www.ss.ca.gov/elections/elections.htm* for information on how to register to vote, or call the toll-free voter registration hotline at 800-345-VOTE.

General Elections are Tuesday, November 7th. In support of *anticomplacency*, all residents who prove they vote and encourage then insure 4 friends vote can please *take $20 off December rent*, our little way to encourage a hellacious turnout!

Polls open 7:00 a.m. to 8:00 p.m. on November 7, 2006 (Election Day), and use links to find your polling place: www2.sdcounty.ca.gov/rov/Eng/Epolling_query.asp and www.smartvoter.org/ca/sd.

We have thoroughly reviewed all propositions and offer our guidance (particularly *NO ON 90* --sleazy slick maneuver by NY attorney developers), below:

Propositions:		
1A NO	83 NO	88 UNKOWN
1B NO	84 YES	89 UNKOWN
1C YES	85 NO	90 NO**
1D YES	86 YES	Regional Airport- NO
1E UNKNOWN	87 YES	

Once again in the past few weeks Drew and his Wi-Fi gang have improved access to Golden Hill FREE high speed wireless for your home computer. Please continue to advise us of any problems associated with your FREE broadband access.

Finally we take this time to thank Esther for her past efforts, and we welcome Liliana who brings her wonderful cleaning to your building and gardens. We thank our wonderful staff: Alesia, Jose, Francisco, Nikki and Agatha who are so very responsive to your needs.

Question authority, do well, and stay in touch.
