Re: November news, special!

Thank you for your continued residency and your referrals (\$100 is our gift if you refer). Your constructive suggestions/phone messages allow us to improve our work!

**Voting** is a privilege earned. We urge you to exercise your privilege next Tuesday, November 6, with hope that *we the people* take back our *own* government. In celebration we shall award to you a free \$35 membership to join the 12 week **Community Supported Agriculture** commitment, plus half off \$15/wk for your weekly **basket of fruit + produce** (\$125). Please mail in 1) proof of vote, 2) check for balance of \$90, and then 3) you may pick up your weekly portion at Farmers Market for three months (<http://www.FarmersMarketCSA.com>). Lettuce celebrate!
